

TWO BOY BANDITS.
Reading Trashy Literature—Imitated the Outlaw to Death.
San Jose, Cal., Aug. 11.—A series of highway robberies, which resulted in the sensational death of one of the robbers and the wounding of a dozen, occurred on the Monterey road last night.
Two young men, apparently little more than boys in age, compelled a lady who was driving on the highway near Lindale, to deliver her horse and buggy to them. They then drove to E. F. Hepler's store at Coyote, where they purchased cartridges for a 32-calibre pistol. This they loaded and immediately proceeded to hold up the proprietor and several bystanders. From Hepler's they continued toward Gilroy. When within a quarter of a mile of this town they met W. McKee, a sewing machine agent, and when he failed to stop on their order they fired at him, inflicting a fatal wound. McKee lashed his horse into a run and was not further molested.
The robbers continued south to Stevens store, a mile and a half from Hepler's, robbing two or three teams on the road of small amounts. They were just entering Stevens' store when they saw five or six armed men riding rapidly toward them. This was a posse, consisting of E. F. Hepler and the men who had been robbed at Lindale.
The robbers abandoned their horses and started across a field toward the westerly foothills. A running fight ensued in which one of the robbers was shot through the stomach. In emulation of Convict Tracy, he placed his pistol to his head and blew out his brains, dying almost instantly. The other threw up his hands and was taken into custody.
A Physician Healed.
Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cure. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success." HAYTI TOWN IN ASHES.
Each Side Charges the Other With Havoc and Destruction.
Port au Prince, Hayti, Aug. 11.—The correspondent of the Associated Press visited Petit Goave yesterday and found the town had been entirely destroyed, there being nothing left but a pile of ruins. About 4000 persons are homeless and are greatly in need of assistance.
The greater number of them have sought shelter in the Simmonds factories near town. The French cruiser D'Assas arrived at Petit Goave yesterday with provisions for the suffering and returned to Port au Prince with 200 women and children and fifteen wounded men. The authorities refused to permit firmists to leave, fearing they would go to other points to take up arms again.
Each party accuses the other of having set fire to Petit Goave, but the general belief is that Coyote, the firmist commander, resolved to destroy the town when he saw he could not hold it against the Fouchardists.

COWS CHEW DYNAMITE.
Valuable Holstein Herd Was Blown to Mincemeat.
Altoona, Pa., Aug. 11.—Thirteen cows, belonging to Claude Peters, a Martinsburg dairyman, found some dynamite yesterday in a shed which telephone linemen had erected in Peter's pasture. Some of them began gnawing at it. The friction caused an explosion and in an instant the shed was filled with particles of flying iron.
Every one of the cows was killed. The loss aggregates several thousand dollars, as the herd was composed of registered Holsteins.
Many persons in this community are suffering from kidney complaint who could avoid fatal results by using Foley's Kidney Cure. For sale by Bonner & Bonner.
The Columbus buggy is a great favorite with those who admire a handsome turnout. For beauty, there is no buggy to equal them. For sale by WILLIAMS, CORNH & CO.
